

# Level 4 Homework Commitment

Students in Level 4 are expected to complete approximately 40 minutes of homework each night. It is expected that 20 minutes of this time will be devoted to personal reading.

Please let your teacher know if you have any trouble completing the activities in the time given.

1. Homework will be handed out on a Tuesday and is due back to school the following Monday.
2. Homework is required to be done to Level 4 standard, neatly presented and returned by the due date, otherwise you will be required to attend Homework Club that week.
3. Your completed Homework must be signed by your parent/guardian before submission.
4. Remember to plan your Homework around your extra-curricular activities. It is often better to complete one component each night for around 20 minutes than trying to complete all the tasks on Sunday night.
5. Be creative in your responses to tasks. The more effort you put into your work, the greater your sense of achievement and satisfaction will be.
6. Each night you should be committed to completing a Mathematics task and independent/personal reading.
7. In addition to weekly homework, there may be instances where you will be asked to complete unfinished work at home and/or undertake research for projects.

Please sign below to show that you have read and understood this year's homework commitments for all Level 4 students.
